

WE DISCOVER THE  
HIDDEN TALENTS  
IN YOUR CHILD,  
NOURISH AND DEVELOP IT  
AND HELP YOUR  
CHILD EXCEL IN LIFE

## Why DIS ?

- DIS focuses on students. Our policies, our curriculum has been designed keeping our students in mind.

- DIS has the kind of infrastructure to supplement the aspirations of our students. Whether the student is creatively oriented or is more focused on fundamental scientific research, we have all kinds of facilities to help achieve his or her dreams.

- A student teacher ratio of 1:30 – ensures each child gets attention from his/her teacher and is not lost out in the crowd.

- Our highly efficient, qualified and competent staff ensures that our student gets the best attention and care from each DIS staff member.

- Progress of each student is monitored and detailed reports of the same are sent to their respective parents/ wards on a periodic basis.

- Discipline – Doon's hallmark

- The Doon DNA – Being associated with the mother school Doon ensures that we follow similar time-tested and acclaimed practices, in terms of school and student management.

## Discover DIS

Doon International School, Bhubaneswar is located in Bhubaneswar, the temple city and capital of the state of Odisha. The idea behind DIS is to present to our students a school of international standards, catering to the unique needs of students from various different parts of the world.

We provide opportunities to the students to learn as per the standards prevailing in various countries around the world. The courses of study as well as norms of achievement in every field are aimed at preparing them for educational qualifications that are recognized nationally as well as internationally.

The school is committed to nurture the students with love and zest and inculcate in them a desire to excel at each level. The school owes its success to the excellent team created by the Founder Chairman Mr DS Mann and the Founder Director Mrs MK Mann. The mother school at Dehradun has evolved into a cohesive and well knit network of professionals and has started establishing its branches at Mohali, Mussori, Srinagar etc.

Today DIS caters the needs of more than 2000 students every year.
